Delivery Rates

All bulk bag orders are subject to a flat rate delivery fee. The **standard delivery rate** for local delivery is **\$30** (per delivery, not per bag) as long as you are **only** ordering bulk bags. Please see the map below for the local zone. Please call in for pricing or availability if you are not within the local delivery zone. We deliver 7 days each week, each day we deliver to a different part of the city so delivery generally takes between 1-4 days. These times may change due to demand, especially during the spring season.

All pricing is subject to change without notice.

*Exempt from local delivery charges as a promotional product.
